

Seabury Directory Information

Each year, we supply parents with the Seabury Directory. This helps with planning play dates, birthday parties, and general communication within the Seabury community.

Please supply us with the names, address, phone number and e-mail address (there will be room for only one e-mail address per family) you would like published in the annual Seabury Directory. Keep in mind that this will be going out to parents, staff and Board Members.

For questions, please call Joslyn at Seabury (253)952-3111 or office@seabury.org. Please return this form by August 31st.
